Re: Invitation For Bids –Bicycle Racks, dated April 3, 2017

Addendum #1

As of April 18, 2017 the IFB entitled Bicycle Racks, dated April 3, 2017 will be changed as follows:

These changes to the specifications are the only changes to the original IFB. The entire remainder of the original contract remains in full force.

This addendum shall be signed on behalf of Harbor Transit by Anthony Dionise and on behalf of Harbor Transit Multi Modal Transportation System.

Under the specifications section we are changing the quantity of the IFB from a quantity of (10) ten bike racks to read a minimum of (10) bike racks, not to exceed (15) bike racks for a 2010-2017 Chevrolet G-4500 Chassis, Manufacturer: ARBOC Mobility, "G" Series.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anthony Dionise", is written over a light blue horizontal line.
